JOREFCO TRUCK MOUNTED FASSI CRANES

Powerful Lifting Solutions for Every Industry

Engineered for strength, precision, and reliability to handle demanding lifting operations with confidence.

TRUCK MOUNTED FASSI CRANES

Built for demanding lifting applications, JOREFCO Truck Mounted Fassi Cranes combine outstanding lifting power with exceptional reliability. Designed for construction, logistics, industrial operations, municipal services, and heavy-duty material handling, these cranes deliver safe, efficient, and precise performance in every working environment. JOREFCO integrates premium Fassi technology with customized truck solutions to maximize productivity and operational efficiency.

CRANE MODEL	LIFTING CAPACITY	MAX OUTREACH	OVERALL DIMENSIONS
F50A.0 Crane	up to 4,70 tm	up to 8,05 m	l 0,58 m, w 2,06 m, h 1,77 m
F65B.0 Crane	Highest moment 6,30 tm / 62 kNm	up to 5,40 m	w 2,30 m, l 0,65 m, h 1,95 m
F115A.0 Crane	Highest moment 11,6 tm / 114 kNm	up to 7,90 m	w 2,30 m, l 0,80 m, h 2,20 m
F175A.0 Crane	up to 17,00 tm	up to 8,05 m	l 0,87 m, w 2,46 m, h 2,25 m
F215A.0 Crane	up to 20,1 tm	up to 10,10 m	l 0,87 m, w 2,46 m, h 2,25 m
